energy & resource  
solutions

# Welcome!

- Goals for the day:
  - Have engaged discussion on timely and key issues impacting the smart energy home
  - Expand our collective understanding of new opportunities and strategies
  - Build relationships and expanded understanding how we can work together to transform this market

All of which will be reflected in NEEP's forthcoming HEMS Report and inform our 2017 HEMS Projects

# What's on Tap for Today?

10:00-10:15am—Welcome and Introductions

10:15-11:00am—Findings from NEEP's Regional Market Transformation Strategy Report

11:00-11:20am—Break

11:20-12:20pm—HEMS For Low Income Households

12:20-1:20pm—Lunch

1:20-2:30pm—Alphabet Soup: X of HEMS, DR, & DER

2:30-2:45pm—Break

2:45-3:45pm—What do HEMS mean for the Utility?

3:45-4:00pm—Wrap up and Next Steps

# Introductions: NEEP

## Mission

Accelerate energy efficiency as an essential part of demand-side solutions that enable a sustainable regional energy system

## Approach

Overcome barriers and transform markets via ***Collaboration, Education and Enterprise***

## Vision

Region embraces **next generation energy efficiency** as a core strategy to meet energy needs in a carbon-constrained world

*One of six regional energy efficiency organizations (REEOs) funded by the US Department of Energy (US DOE) to link regions to US DOE guidance, products and programs*

# Introductions

- Name and Organization
- List one word that comes to mind when you think about Home Energy Management Systems
