

# 2017 NEW HAMPSHIRE SCHOOLS SUMMIT

Co-Hosted by

Join New Hampshire Department of Education and NEEP at the 2017 Summit to inform stakeholders about the importance of including high performance building attributes in the school environment.

## SPONSORSHIP OPPORTUNITIES

As a sponsor of this Schools Summit, you and your organization will be recognized as a leader in the rapidly expanding high performance school market. This event will be strategically targeted to reach school district facility planners, design professionals, energy consultants, facilities managers and other industry professionals to educate and advance the K-12 educational community about the importance of including high performance building attributes in the school environment.

**Sponsors will be recognized for their support before and during and after the event. Sponsorships provide funding to keep the event free for school and district attendees, as well as funding the delivery of the program.**
