

2015 NORTHEAST ENERGY EFFICIENCY SUMMIT

June 15-16, 2015
Omni Mount Washington Resort
Bretton Woods, NH

SPONSORSHIP PROSPECTUS

Presented by

Northeast Energy Efficiency Partnerships

ABOUT THE NEEP SUMMIT

The Northeast Energy Efficiency Summit is the region's premiere event for bringing together energy efficiency thought leaders. NEEP's Summit audience includes high-profile policymakers, such as public utility commissioners, environmental regulators, state legislators, state officials, and community leaders as well as energy efficiency service and product providers, program administrators, and advocates who are instrumental in maximizing the energy efficiency solution for the Northeast region.

Now in its ninth year, the 2015 Summit will take place at the historic Omni Mount Washington Resort. In response to widespread support in 2014 the event will again feature NEEP Power Talks, topical workshops, the 2015 Northeast Business Leaders for Energy Efficiency program and networking opportunities as we bring together the best and brightest.
