NEEP ALLIES PROGRAM

If you believe energy efficiency is an **essential part** of a sustainable regional energy system...

If energy efficiency is part of your organization's **mission**...

Now is the time for you to join our **Allies network!**

ABOUT NEEP

NEEP, founded in 1996, is a non-partisan non-profit bringing together many players in the energy field to promote and adopt modern and affordable energy efficiency solutions to meet state energy, economic, and environmental goals in the Northeast and Mid-Atlantic states.

OUR VISION

We envision the region's homes, buildings, and communities transformed into efficient, affordable, low-carbon, resilient places to live, work, and play.

OUR MISSION

We seek to accelerate regional collaboration to promote advanced energy efficiency and related solutions in homes, buildings, industry, and communities.

WHO ARE NEEP ALLIES?

Businesses, institutions, agencies, or organizations seeking to unlock the low-carbon potential and economic benefits of energy efficiency would benefit as part of our regional network of efficiency leaders, movers, and shakers. NEEP Allies include:

- State energy offices
- Manufacturers
- Efficiency program administrators
- Advocacy groups
- Energy service providers
