

NEEP Summit: Decarbonizing Our Communities

Healthy · Resilient · Affordable

New Haven, CT · June 15-17, 2020

Event Sponsorship Packages

Our buildings need to be safe and resilient. Our energy must be affordable. Our workforce must be responsive. People should have greater opportunity and access to healthy homes, schools, workplaces, and transportation.

Support this effort at our two day conference by becoming a sponsor. Demonstrate your leadership to over 300 attendees from government, industry, community, and advocacy as we explore the opportunities, trends, and challenges of minimizing the carbon footprint of homes, buildings, and transportation in the Northeast U.S.

Exhibit space at the NEEP 2020 Summit will be limited.

To secure your sponsorship and exhibit space contact:

Jessica Augat

Industry Relations & Event Manager

jaugat@neep.org | 781-860-9177 x120
