

# NEEP Summit 2027

June | New York City

Summit 2027 will bring together energy practitioners, policymakers, utilities, industry leaders, and innovators to build lasting partnerships and advance tangible, actionable solutions that strengthen affordability and accelerate efficiency across the Northeast and Mid-Atlantic. Through dynamic sessions, focused discussions, and curated networking opportunities, Summit will power regional progress toward meeting the next era of energy challenges. At its core, Summit is a collaborative space where leaders work together to scale what works, unlock new approaches, and drive market transformation. Sponsoring Summit 2027 positions your organization at the center of this momentum—demonstrating leadership in the energy efficiency space and connecting you with key stakeholders—along with the following benefits.

| BENEFITS                                                                                 | PLATINUM | GOLD      | SILVER      | BRONZE  |
|------------------------------------------------------------------------------------------|----------|-----------|-------------|---------|
|                                                                                          | \$25,000 | \$16,000  | \$12,000    | \$8,000 |
