

# NEEP Summit 2026 | The Power of Us

*Energy Efficiency Through Collaboration*

**June 2-4 | Baltimore, MD**

NEEP is uniting energy practitioners, policy makers, utilities, industry leaders, and innovators in dynamic sessions, focused breakout groups, and engaging networking opportunities. Together, we aim to inspire and advance clean, affordable, and energy solutions for all. To achieve our event goals, we seek partners who support our initiatives and share our commitment to market transformation in the Northeast and Mid-Atlantic regions.
