We hope these tools offer you a wide variety of price, convenience, and experience options. If you need help finding accommodations that fit your needs, please contact Samantha Bresler at sbresler@neep.org.

Directions: 21 Union St. is located just off of NY-7/Hoosick St. and Interstate 787.

If driving to the meeting location:

If travelling south on I-87 (from Burlington), take exit 7 to merge onto NY-7/Hoosick St. toward Troy/Cohoes. Once on NY-7, take the exit toward Downtown Troy and merge onto 6th Ave. Continue on 6th Ave. for 0.3 miles and then take a right onto Grand St., followed by the second left onto 5th Ave. Once on 5th Ave., take the first left onto

Fulton St. and then another immediate left onto Union St. The meeting location will be located at the corner of Fulton St. and Union St.

If travelling north on I-787, take exit 8 for 23rd St. toward Watervliet/Green Island, then turn right onto Hudson Ave. After continuing onto Lower Hudson Ave., turn right onto Albany Ave./Green Island bridge. Continue onto Federal St. and then take a right onto 5th Ave., a left onto Fulton St., and finally an immediate left onto Union St. The meeting location will be located at the corner of Fulton St. and Union St.

Both I-87 (from NYC) and I-90 (from Boston) intersect with I-787 so the directions above can be followed. If travelling north on I-87, take exit 23 for I-787 North toward Troy. If travelling west on I-90, take exit 6A to merge onto I-787 toward Troy.

If travelling east toward the meeting location, merge onto I-90 East when possible and then take exit 6A to merge onto I-787 North toward Troy. Follow the directions for travelling north on I-787 once on I-787.

If flying to the meeting location:

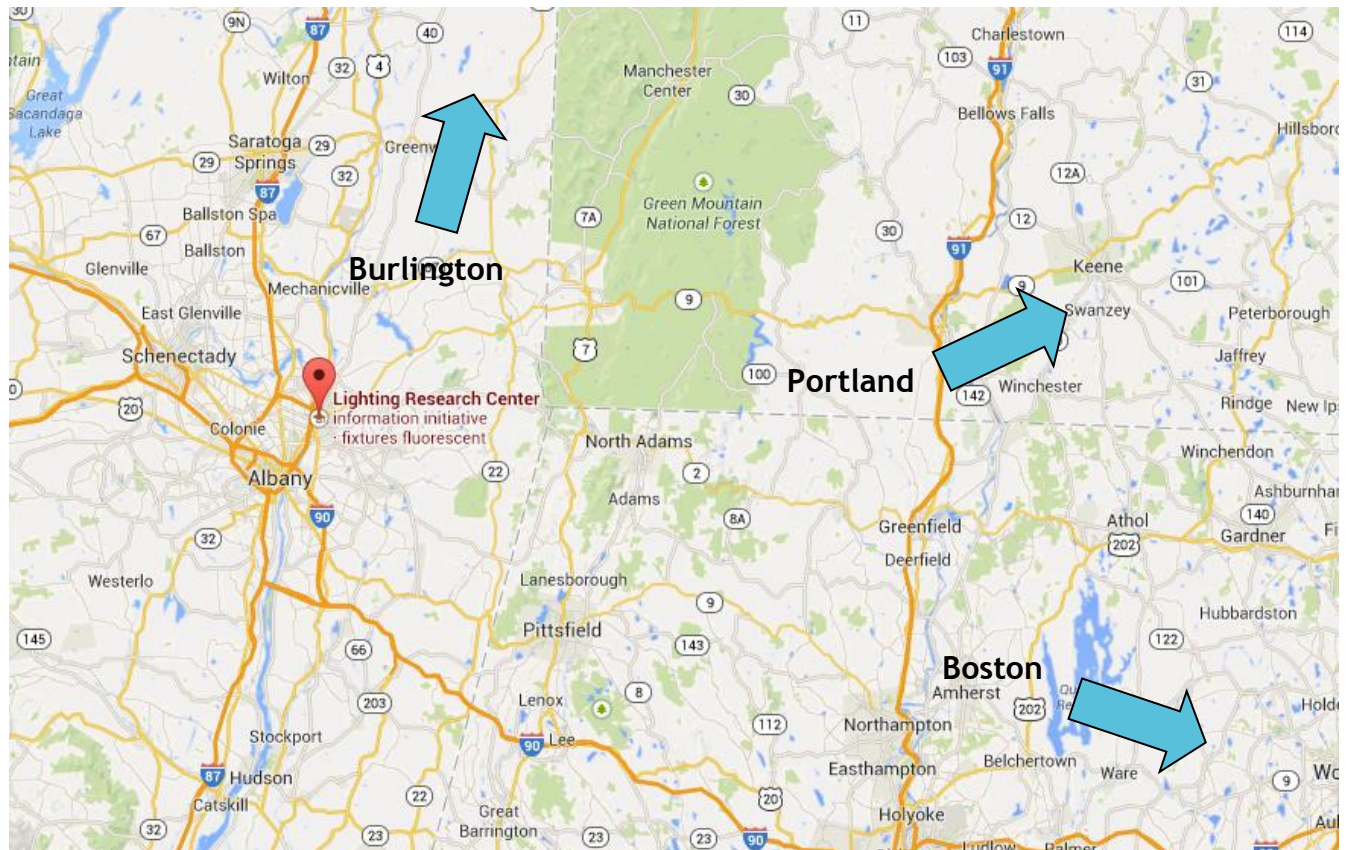

The Albany International Airport is approximately 10 miles from the Lighting Research Center. To drive from the airport to the meeting location, first take Albany Shaker Rd. to NY-7 East. Continue on NY-7 East toward Troy and then take the exit for Downtown Troy. Continue on 6th Ave., and then take a right onto Grand St., followed by the second left onto 5th Ave. Once on 5th Ave., take the first left onto Fulton St. and then another immediate left onto Union St. The meeting location will be located at the corner of Fulton St. and Union St.

If taking a bus to the meeting location:

Both Greyhound and Peter Pan offer bus services to Albany, NY. The Albany Bus Station is located approximately 8 miles from the Lighting Research Center. To get from the bus station to the meeting location, simply get onto I-787 North and follow the directions given under the 'If driving' directions above.

If taking a train to the meeting location:

The Amtrak Train Station is located in Rensselaer, NY and is approximately 9 miles from the Lighting Research Center. To get from the train station to the meeting location, follow road sign directions for getting onto I-787 North, and then follow the directions given under the 'If driving' directions above.

Agenda and further details will be available at <http://neep.org/neep-events/annual-residential-lighting-workshop/2014-res-lighting-workshop>. Please contact Claire Miziolek at cmiziolek@neep.org or 781-860-9177 x 115 with any questions.

We look forward to your participation in the **2014 Northeast Residential Lighting Workshop!**
